### Casanova

Heath Ledger, Jeremy  
Irons, Sienna Miller  
R, 111 mins., 2005

While it didn't make the box office swoon, *Casanova*, like its namesake, is a handsome romantic charmer that promises only a fun romp, and delivers. **EXTRAS**

In his director's commentary, Lasse Hallström shares filmmaking secrets like how to manipulate greenscreens to turn 1,000 people into 4,000. The making-of featurettes "Creating an Adventure" and "Dressing in Style" outline the intricacy of filming an entire movie in Venice and conjuring the look and feel of 1753, with the ornate sets and costumes; says Ledger, "It was like shooting in a museum."
